Registered provider fee/loading (coordination and/or administration) when services and items are delivered/purchased through third-party providers:

Under Self-Management option, if you/we source a service from a Third-party Service Provider, we will charge you and you must pay us a surcharge (Administration overhead charge) of 8% of the price which is within the maximum permitted under the Aged Care Act.

Under Fully Managed option, if you/we source a service from a Third-party Service Provider, we will charge you and you must pay us a surcharge (Administration overhead charge) of 15% of the price which is within the maximum permitted under the Aged Care Act.

The price Third-Party Providers charge may vary and can be more or less than our Current Price List due to various situations and context such as remoteness of your location, availability and proximity of the available providers etc. In such a case, we will (with your consent, written or verbal) agree on the price on each instance prior to the delivery/purchase of the services.

Home modifications: Coordination fee will be charged the lesser of 15% of the home modification cost or up to \$1500 from the Home Modification Funds.

Assistive technology: Administration fee will be charged the lesser of 10% of the Assistive Technology cost or up to \$500 from the Assistive Technology Funds.
